REF : Dept's CA-9208 of February 27, 1963 and Circular/831 of November 2, 1962.

[]

Messrs. Franklin J. SCHUPP and Marian A. CZARNECKI, staff consultants on the House Committee on Foreign Affairs, visited Hamburg on November 9, 1962 in connection with the Committee's study of the Soviet oil offensive in Western Europe.

Control Officer Nancy V. Rawls met the visitors at the airport, where they arrived from Frankfurt at 10:55 a.m. They were driven immediately to ESSO A.G. for discussions and luncheon with several senior ESSO officials. The consultants departed by airplane from Hamburg for Stockholm at 4:00 p.m. on November 9.

(2)

Messrs. Schupp and Czarnecki already had their appointment with the ESSO officials, and the Consulate General was called upon only to make changes in onward travel arrangements and to request specific appointments with oil company representatives in Stockholm and The Hague. The Consulate General took care of the transportation reservations. It then notified the Embassies at Stockholm and The Hague of these arrangements, requesting them at the same time to make the desired appointments.

There was no substantive discussion between the staff consultants and officers of the Consulate General. The Control Officer accompanied Messrs. Schupp and Czarnecki to the airport for their departure.
